| Notes | | |
| Cast iron cookware, except 20 quart dutch oven, are kept in coolers to prevent rust. | | |

| |
|--|
| Books are kept in zip lock bags and in a cooler to keep dry. |
| Heat & light box (Contico Tuff Bin Pro with lock) over right wheel well. |
| Miscellaneous box (Contico Tuff Bin Pro without lock) over left wheel well. |
| |
| My cast iron cookware has not been completely inventoried, there are other items not listed but I still have to pack it in coolers. Items with * is rough number, there is likely more of this item. |
